- A.3 The Code of Professional Conduct is, by decision of the Board of NRPSI, binding on registrants on the NRPSI, regardless of whether they are members of the Chartered Institute.
- A.4 All persons subject to the Code are also expected to have due regard to any Guide to Good Practice and further guidelines issued by the Chartered Institute and/or NRPSI, as applicable, from time to time.
- A.5 Any alleged misconduct brought to the attention of the Chartered Institute or NRPSI, by whatever means, will be dealt with through the procedures set out herein.
- A.6 The framework and procedures set out herein will remain in force until further resolution of the Council and/or the Board, as applicable.
- A.7 The framework and procedures may be amended by resolution of the Council and/or the Board, as applicable. Reasonable notice of such amendment shall, other than in very exceptional circumstances (as shall be determined by the Council or the Board), be given to the persons who are subject to the Code of Professional Conduct by means of the website of the Chartered Institute or NRPSI or otherwise, as appropriate.

SECTION B – FRAMEWORK OF DISCIPLINARY PROCEDURES

Disciplinary Framework and Procedures

- B.1 The disciplinary procedures described herein are applicable to:
- members of the Chartered Institute;
 - Chartered Linguists (who may be members of the Chartered Institute, or of the ITI or of AIC, or of more than one of these, or of such other professional body or bodies that may, under the terms of the Charter, be deemed in the future to satisfy the requirements);
 - registrants on the NRPSI (who may or may not be members of the Chartered Institute and may or may not be Chartered Linguists).
- B.2 When a complaint or allegation of professional misconduct is made against a person who belongs to more than one of the above categories, procedures will be applied as follows.
- (a) For members of the Chartered Institute who are not Chartered Linguists*
Committees and panels will reach conclusions, decide on actions and make recommendations in regard to the standards required of a member of the Chartered Institute.
- (b) For Chartered Linguists who are members of the Chartered Institute*
Committees and panels will reach conclusions, decide on actions and make recommendations first in regard to the standards required of a Chartered Linguist and then in regard to the standards required of a member of the Chartered Institute.
- (c) For Chartered Linguists who are not members of the Chartered Institute*
Committees and panels will reach conclusions, decide on actions and make recommendations in regard to standards required of a Chartered Linguist.
- (d) For NRPSI registrants who are members of the Chartered Institute*
Registrants who are members of the Chartered Institute are subject to the disciplinary procedures of both the Chartered Institute and the NRPSI. The NRPSI disciplinary procedures will normally be applied first. When an allegation of misconduct as a result of disciplinary proceedings by the NRPSI is upheld, a report will be forwarded to the Chartered Institute and/or to the ITI, as appropriate. The assessment of the NRPSI Disciplinary Committee will be taken into account by the Chartered Institute and the disciplinary procedures applicable to a member of the Chartered Institute may be invoked.
- (e) For NRPSI registrants who are not members of the Chartered Institute*
In the case of NRPSI registrants who are not members of the Chartered Institute the disciplinary procedures of the NRPSI will apply alone.
- B.3 The Chartered Institute will respect and act proportionally in regard to decisions reached through NRPSI disciplinary proceedings concerning NRPSI registrants who are members of the Chartered Institute, or who are Chartered Linguists.
- B.4 When an allegation of misconduct is upheld as a result of disciplinary proceedings by the Chartered Institute, a report may, by agreement of the panel, be forwarded to the ITI and/or AIC as appropriate. A copy of the proposed report shall be sent to the Defendant before it is so forwarded and the Defendant shall be offered the opportunity to comment on the content and/or the wording within 10 working days. Due note shall be taken of any comment made by the Defendant when forwarding a report to the ITI and/or AIC.

SECTION C – PROCEDURAL PRINCIPLES

- C.1 The procedures set out here shall be followed as far as is practicable. The Chair of a committee or panel may vary these procedures when he or she deems this to be necessary. Such variation shall be recorded in the written record of the proceedings.
- C.2 Disciplinary committees and panels shall consist as far as is practicable of an odd number of members. Decisions shall be by majority of votes; the Chair shall have a second, casting vote in the case of equality of votes.
- C.3 The deputy Chair of a committee may act in place of the Chair when appropriate. In the following, the term Chair shall mean the deputy Chair when that person is acting as Chair.
- C.4 A panel shall act with the authority of the committee from which the panel was constituted in regard to the complaint for which it was convened.
- C.5 No person may serve on more than one committee or panel in regard to a particular complaint.
- C.6 No person may be appointed to panel when that person has a connection with the Defendant or Complainant or a person who is party to the complaint such as would be likely to prejudice fair consideration of the complaint, or when there is any conflict of interest, bias or other factor such as would be likely to prejudice or to appear to prejudice fair treatment of the complaint to be considered.
- C.7 Discretion will rest with the Chair of a Committee when appointing a panel to decide whether conflict of interest or other relevant factor exists in regard to intended panel members. In the case of dispute the Chair of Council shall decide the issue and his or her decision shall be final.
- C.8 Where a lay person is appointed to a committee designated herein, he or she shall be selected by open advertisement or by reference to an appropriate independent organisation. A lay person for these purposes is a person who is not a member of the CIOL, ITI or AIC, and has no significant connection with any of these.
- C.9 The appointment of lay members is subject to the same conditions of appointment as other committee members except that lay members may be remunerated at the rate determined by Council.
- C.10 In the event that neither the Chair nor the deputy Chair of a committee or panel is able to serve on a particular occasion, the Chair shall delegate the responsibility to another member of the committee or panel. In case of objection to such delegation by any member or members, an alternate Chair shall be appointed by the Chair of Council or the Chair of the Board, as applicable.
- C.11 Disciplinary hearings are conducted in private and are confidential. Hearings will be recorded and the recording will be retained as part of the record of the complaint.
- C.12 The outcome of proceedings in respect of an allegation that is upheld will be made public by the Chartered Institute and/or by NRPSI, as applicable, on their websites or otherwise. A copy of the proposed report shall be sent to the Defendant in advance, and

Disciplinary Framework and Procedures

the Defendant shall be offered the opportunity to comment on the content and/or the wording within 10 working days. Due note shall be taken of any comment made by the Defendant. No report will be published in respect of an allegation that is not upheld.

- C.13 The record of an allegation that is upheld will be held on the member's or registrant's file subject to the provisions of the Data Protection Act.
- C.14 The conclusions of a panel or committee shall be written by the Chair or another member of the panel or committee delegated by the Chair. No administrative officer of the Chartered Institute or NRPSI shall be present during the deliberations of a panel or committee or during the writing of its report.
- C.15 Other than as provided for in C.11, the Chief Executive will be responsible for the administration of disciplinary procedures, including the compilation and distribution of statements and other documentation, arrangements for hearings and meetings, note taking, record keeping and correspondence on behalf of panels and committees. The Chief Executive may delegate some or all of these duties to senior staff members as appropriate.
- C.16 Members of disciplinary committees will be reimbursed travel and subsistence expenses at the rate agreed by Council or the NRPSI Board. Other than lay members, as prescribed in C.8 and C.9, members of committees within this framework will not be remunerated.
- C.17 Remuneration may be made to an external person appointed under the provisions of E.12(b) below who is asked, under the provisions of E.16 to take part in the hearing of a complaint. Such remuneration shall be subject to the approval of Council or of the Chair of Council acting on its behalf.
- C.18 The Defendant may appoint a person as Friend to accompany him or her at hearings of the Disciplinary Committee or the Disciplinary Appeals Committee.
- C.19 The Chartered Institute or NRPSI, as applicable, may appoint a lay person to represent it at hearings of the Disciplinary Committee or the Disciplinary Appeals Committee in relation to a particular allegation. This person shall stand in the same relation to the Chartered Institute or NRPSI as the Friend does to the Defendant (C.18). The costs involved will be a matter for the Chartered Institute or NRPSI, as applicable.
- C.20 The Chartered Institute and/or NRPSI will not reimburse either the Complainant or the Defendant in respect of any legal or other costs incurred in preparing or presenting the complaint or defence; nor will the Chartered Institute and/or NRPSI reimburse any costs relating to travel or subsistence in connection with a hearing.
- C.21 Committees and panels may consult external advisers or specialists, and invite external advisers or specialists to attend as witnesses, when this is considered necessary. Such persons shall not take part in the discussion of the committee's or the panel's findings. The travel and subsistence expenses of external advisers and specialists shall be paid. Reasonable professional fees may be paid, as necessary.
- C.22 A complaint involving a practitioner based overseas may be considered entirely upon the basis of written submissions, at the discretion of the relevant committee.

- C.23 A complaint may be considered entirely upon the basis of written submissions if this is requested by the Defendant and the Complainant agrees.
- C.24 Members of committees are expected, whenever practicable, to undertake such training and briefing on relevant matters as may be organised by the Chartered Institute or NRPSI, as applicable, from time to time.

This section defines the powers of disciplinary committees of the Chartered Institute and of NRPSI to be applied as appropriate by each of these as applicable.

 - (c) that the matter should be referred to the Disciplinary Committee.
- D.2 The Disciplinary Committee may determine, in regard to an allegation:

 - (c) that the complaint was malicious; if the Committee so decides it shall determine what action, if any, should be taken against the Complainant.
- D.3 The Disciplinary Appeals Committee may determine:
- (a) that the conclusion of the Disciplinary Committee be quashed and the allegation be dismissed; the Disciplinary Appeals Committee may, at its discretion, offer advice or guidance to one or both parties; or

This shall include provision for a complaint to be made following a decision of the Council or the Board that a possible breach of the Code be investigated (see G.3) or as a result of relevant concerns coming to the notice of the Chief Executive (G.5).
- G.2 A complaint should be submitted as soon as possible after the alleged misconduct becomes known. A complaint made more than six months after the alleged offence must include an explanation of the delay in its submission and will be admissible only when the reasons for the delay are deemed acceptable by the Chair of the Professional Conduct Committee.
- G.3 If it appears to the Council or to the Board, as applicable, that a breach of the Code may have been committed, the Council or the Board will, other than in exceptional circumstances, require the matter to be investigated and will instruct the Chief Executive accordingly. The decision of the Council or the Board that a possible breach of the Code be investigated shall not prejudice nor be deemed to prejudice the independence of the ensuing procedures nor the conclusions reached.
- G.4 In the case of a complaint arising from a decision of the Council or the Board as above, the Council or the Board will designate one of its number or, if it sees fit, a member of staff of the Chartered Institute or NRPSI to act as Complainant in its behalf in disciplinary proceedings.
- G.5 In the event that a complaint is made against a Chartered Linguist by the Council of the ITI or by an equivalent committee of AICC, the decision by either of these bodies that the complaint be made shall not prejudice nor be deemed to prejudice the independence of the ensuing procedures nor the conclusions reached.
- G.6 In addition to the provisions above, if it comes to the notice of the Chief Executive, by whatever means, that a breach of the Code may have occurred, the Chief Executive shall cause investigations to be made and if after investigation it appears appropriate shall refer the matter to the Professional Conduct Committee of the Chartered Institute or NRPSI, as applicable. In such circumstances the Chief Executive will, subject to consultation with the Chair of Council or the Board, as applicable, act as Complainant or will delegate this to a member of staff.
- G.7 A complaint other than a complaint arising from a resolution of the Council or from the circumstances described in G.6, must be in writing under confidential cover and addressed to the Chief Executive at the registered office of the Chartered Institute or NRPSI, as applicable.
- G.8 A complaint must include the name and address of the Complainant and set out the matter of the complaint and any relevant circumstances including the relationship, if any, between the Complainant and the Practitioner against whom the complaint is made. A standard complaint form will be available, though use of the form will not be obligatory.

Disciplinary Framework and Procedures

- G.9 The Complainant will be informed of the procedures, including the fact that the complaint will be shown to the subject of the complaint.
- G.10 If in the judgement of the Chief Executive it does not appear appropriate to invoke the discipline procedures to resolve a complaint he or she shall advise the Complainant accordingly. Provision to contest this assessment is set out below (G.14).
- G.11 If it appears to the Chief Executive that mediation as described in Section J may be a satisfactory way of dealing with the complaint, he or she shall offer the Complainant and the Defendant this option.
- G.12 The refusal by the Complainant or the Defendant to enter into mediation shall not prejudice subsequent proceedings as set out herein.
- G.13 If the Chief Executive considers that the complaint may be malicious or vexatious the Chief Executive may, at his or her discretion, refer the matter to the Professional Conduct Committee for possible disciplinary proceedings.
- G.14 If the Complainant does not accept that the response of the Chief Executive is satisfactory he or she may re-submit the complaint. In such circumstances the Chief Executive shall refer the complaint to the Professional Conduct Committee.
- G.15 When, following the above procedures, a complaint is referred to the Professional Conduct Committee, the subject of the complaint will be informed, with full particulars of the complaint, and invited to respond in writing within 20 working days. At the discretion of the Chair of the Professional Conduct Committee a copy of this response may be sent to the Complainant and written comment may be invited.
- G.16 A case file including all correspondence will be prepared by the Chief Executive for the Professional Conduct Committee.
- G.17 The Chief Executive may delegate all or any of the above responsibilities to an appropriate member of staff of the Chartered Institute or of NRPSI, as applicable.
- G.18 The Complainant and the person who is the subject of the complaint are expected to ensure that the complaint or information or correspondence regarding the complaint, including any report arising from the complaint, are not circulated or publicised other than as permitted in these procedures.

- a panel convened to investigate an allegation concerning a member of the Chartered Institute who is *not* also a Chartered Linguist shall normally be selected from only the Members and Fellows of the Chartered Institute who are members of the committee;
 - a panel convened to investigate a complaint concerning a Chartered Linguist shall normally consist of the Chair, one other Council member from the membership of the committee and one member from, or able to represent the professional concerns of, the ITI or AIC, as appropriate.
- H.3 The Professional Conduct Committee of the Chartered Institute will receive reports from the NRPSI Disciplinary Committee regarding allegations upheld by that committee against NRPSI registrants who are members of the Chartered Institute (see H.17). The Chartered Institute committee will respect the decisions of the NRPSI Disciplinary Committee and will reach its decision on the basis of the report and, if it judges necessary, the documentation from the NRPSI hearing.
- H.4 The panel may conduct its business by correspondence, including e-mail, or meet to consider the complaint as it sees fit.
- H.5 The panel will ensure that the person against whom the complaint is made has been informed of the complaint in due form, and has been given the opportunity to submit a statement in defence or mitigation. The panel will defer its proceedings when it appears to it that it is necessary to do so in order to ensure this.
- H.6 The panel will consider the written and documentary evidence available to it, including the statement setting out the complaint submitted by the Complainant, and any statement submitted by the person against whom the complaint is made.
- H.7 The panel will not hold hearings and will not involve third parties. The panel may, however, seek clarification of any aspect of the complaint or the defence if necessary.
- H.8 The panel will endeavour to reach a conclusion on a complaint within thirty working days of notification of the complaint, or of the failure of mediation as described in Section I.
- H.9 The conclusion of the panel may be that:
- (a) there is no evidence, or insufficient evidence, of a breach of the Code, such that no further action should be taken and the parties should be so advised; the committee may, if it deems appropriate, offer guidance to one or both parties;
 - (b) there is evidence of a breach of the Code but that it is not of sufficient severity to necessitate referral to the Disciplinary Committee; the Committee may at its discretion decide that advice or warning should be given to the practitioner;
 - (c) the matter should be referred to the Disciplinary Committee.
- H.10 The parties concerned will be informed of the conclusion of the panel in writing within ten working days.

Disciplinary Committee

- H.11 A complaint referred to the committee will be considered by a panel of three persons selected from the members of the committee by the Chair or, in the event that the Chair is unavailable or deems it inappropriate for whatever reason that he/she should act in a particular instance, by the deputy Chair. In selecting and appointing members to a panel the provisions of C.6 and C.7 above shall be observed.
- H.12 The committee will proceed by means of a hearing, as described in Section J. As far as is practicable the panel will hear the case within 30-45 working days of its referral.
- H.13 The panel will endeavour to reach a conclusion immediately after the hearing. In the event of unavoidable delay, the panel will normally agree its conclusion and decision within ten working days; a further meeting of the panel may be called if necessary, or the panel may reach its conclusion by correspondence.
- H.14 The panel may decide in respect of an allegation as follows:
- (a) that the allegation is not upheld and the complaint is dismissed; or
 - (b) that the complaint was malicious; in such circumstances the Committee shall determine what action, if any, should be taken against the Complainant; or
 - (c) that the allegation is upheld or partly upheld.
- H.15 In the case that an allegation is upheld or partly upheld the panel may, taking into account the seriousness of the breach of the Code and any associated or mitigating factors, decide that one of the following measures should apply:
- (a) that the Defendant be admonished;
 - (b) that the Defendant be suspended from membership or registration (as applicable) for a period determined by the Committee;
 - (c) that the Defendant be excluded from membership or registration, with the possibility of application for reinstatement after a period determined by the Committee and subject to conditions determined by the Committee; the minimum period of exclusion under this clause shall normally be two years.
- H.16 The Defendant will be informed of the decision of the panel, in writing, normally within five working days.
- H.17 *(This paragraph applies only within the procedures of NRPSI.)* In respect of the decision by the NRPSI Disciplinary Committee that an allegation against a NRPSI registrant who is a member of the Chartered Institute or who is a Chartered Linguist is upheld, the committee will forward a report of its decision to the Chartered Institute (see H.4).
- H.18 The panel may at its discretion inform the Complainant of its decision, subject to prior notification to the Defendant of its intention to do so and the offer of the opportunity to submit comments on the decision and the wording of the notification. The panel shall take due notice of any comment submitted in any report to the Complainant.
- H.19 The panel shall decide the date on which any penalty imposed shall take effect, subject to the provisions of H.22 below.
- H.20 The Defendant will be advised of the right of appeal and the appeal procedures (Section K). An appeal will be admissible only on the grounds that:
- (a) there is new evidence that was not available to the Disciplinary Committee; or
 - (b) there was a material flaw in the conduct of the Disciplinary Committee hearing.

- H.21 Any action decided by the Disciplinary Committee shall be held in abeyance pending resolution of an appeal. When the Chair of the panel considers this appropriate, however, the Practitioner may be suspended pending resolution of the appeal.

Disciplinary Appeals Committee

- H.22 The procedures of the committee are as described in Section K.

SECTION I – MEDIATION

- I.1 As indicated above (G. 11), if it appears to the Chief Executive that this may be a satisfactory way of dealing with the complaint, he or she shall offer the Complainant and the Defendant the opportunity of mediation. The refusal by the Complainant or the Defendant to enter into mediation shall not be prejudicial to subsequent proceedings as set out herein.
- I.2 Mediation is intended to deal with a complaint and reach a conclusion satisfactory to both parties without resort to formal disciplinary proceedings.
- I.3 Mediation will be conducted by a person invited by the Chief Executive to carry out this role. Suitable persons will be, as appropriate, members of the Chartered Institute in a relevant Division or NRPSI registrants of sufficient standing and length of membership or registration.
- I.4 Mediation may be carried out by correspondence or may involve a meeting of the parties with the mediator. If a meeting is deemed necessary this will not be a formal hearing, will not involve witnesses and the parties will not be entitled to be accompanied by a Friend, in contrast to the procedures for hearings set out in Section J.
- I.5 The mediator will be reimbursed travel and subsistence expenses. The Complainant and Defendant will be responsible for their own costs.
- I.6 If an agreement is reached through mediation that is accepted by both the Complainant and Defendant the complaint will be considered to have been resolved.
- I.7 If agreement is not reached through mediation the matter will be referred to the Professional Conduct Committee.

SECTION J – HEARINGS

- J.1 The procedures described in this section shall be followed by the Disciplinary Committees and the Disciplinary Appeals Committees, except as indicated. The Chair of a committee or panel may vary the procedures at his or her discretion where this is judged to be necessary.
- J.2 The Complainant and the Defendant shall be given not less than 30 working days' written notice of the hearing, stating the date, time and place of the hearing, together with a copy of the allegation, and a copy of these procedures.

Disciplinary Framework and Procedures

- J.3 Not less than 10 working days before the date of the hearing the Defendant shall inform the Chief Executive or the designated administrative officer, in writing, whether he or she intends to contest the allegation; whether he or she intends to be present at the hearing; whether he or she will be accompanied by a Friend (see J. 4) and, if so, the name of the Friend.
- J.4 The Defendant may at his or her discretion appoint a Friend to assist him or her in hearings. The Defendant shall be responsible for forwarding relevant information to the Friend.
- J.5 If the Defendant intends to contest the allegation, he or she will be entitled to provide a written statement in defence or mitigation, additional to the statement in response to the original notice of complaint that was considered by the Professional Conduct Committee.
- J.6 A Defendant may choose whether or not to attend a hearing. A hearing may proceed despite the absence of the Defendant. Only in exceptional circumstances and with the agreement of the Chair, however, may a person acting as Friend of the Defendant attend and represent the Defendant at a hearing if the Defendant is not present.
- J.7 The Chartered Institute and NRPSI will normally be represented at hearings by a person appointed as Friend.
- J.8 The Complainant is expected to be present and to be willing to be called as a witness. The hearing may, at the discretion of the Chair, proceed despite the absence of the Complainant. Refusal by the Complainant to attend or to be called as a witness will be taken into account by the panel and may be prejudicial to the cause of the Complainant.
- J.9 Witnesses may be called by or on behalf of the Complainant and the Defendant.
- J.10 The Defendant shall provide the name and address of any witness(es) he or she intends to call. The Defendant is responsible for informing such witnesses of the time and place of the hearing.
- J.11 The Friend of the Chartered Institute or NRPSI and the Friend of the Defendant:
(a) may present and/or sum up the allegation and the defence respectively;
(b) may be questioned directly by the panel;
(c) may ask questions of and cross-examine witnesses, including the Complainant and the Defendant;
(d) may not respond for the Complainant or the Defendant in cross-examination.
- J.12 The Defendant shall have the right to object to any panel member if he or she can demonstrate a clear conflict of interest or any bias that is likely to prejudice the proceedings. If the Chair considers such objection to be reasonable he or she shall adjourn proceedings and take steps to constitute a new panel at the earliest convenient moment.
- J.13 The hearing will proceed as follows:
(a) introduction by the Chair, outlining the procedures to be followed;
(b) oral presentation of the allegation by or on behalf of the Complainant followed by an oral statement by or on behalf of the Defendant;
(c) questioning, by the panel, of either or both parties, or the Friend of either party;

Disciplinary Framework and Procedures

- (d) cross-examination by or on behalf of the Complainant and the Defendant (as noted in J.11, the Complainant and the Defendant are required to respond directly to cross-examination, not through the Friend);
 - (e) further questioning as necessary by the panel of either party or the Friends of either party;
 - (f) summing up by or on behalf of the Complainant and by or on behalf of the Defendant;
 - (g) explanation by the Chair of how the panel will reach a conclusion, how the conclusion and any action decided will be notified to the parties concerned, and the expected timetable.
- J.14 Either party may request an adjournment. A hearing may be adjourned at the discretion of the Chair following such request or for reasons that he or she deems acceptable. The Chair shall determine the date for resumption of the hearing which shall, whenever possible, be within twenty working days.
- J.15 No persons other than the panel members shall be present when the panel discusses its findings and decides what action to take. Decision is by majority vote (the Chair shall have a second, casting vote, in case of equality of votes). In the case of a contrary minority opinion this shall be recorded in the report of the panel's findings.
- J.16 The Chair of the panel, or a member of the panel delegated by the Chair, shall write a report of the panel's conclusions, its decisions as to action to be taken and/or guidance to be offered. The report shall explain briefly the basis for the panel's conclusions, with reference to the part or parts of the Code of Professional Conduct deemed to have been breached.
- J.17 The report should if possible be written at the end of the hearing. When this is not practicable the report must be circulated to all panel members (including any contrary minority opinion) for agreement. The report must normally be signed by all members. Any variation from this must be endorsed by the Chair of the relevant Committee.

SECTION K – APPEAL

- K.1 A Defendant will have the right to appeal against a decision of the Disciplinary Committee on the ground either that there is new evidence that was not available to the Disciplinary Committee or that there was a material flaw in the conduct of the Disciplinary Committee hearing. No other ground will be admissible.
- K.2 Notice of intention to appeal must be lodged in writing with the Chief Executive within fifteen working days of notification of the decision of the Disciplinary Committee.
- K.3 Any action decided by the Disciplinary Committee shall be held in abeyance pending resolution of an appeal. When the Chair of the panel conducting the hearing considers this appropriate, however, the Practitioner may be suspended from membership or registration, as applicable, pending resolution of the appeal.
- K.4 There is no prescribed appeal form. The notice of intention to appeal must set out the grounds for the appeal in sufficient detail for the admissibility of an appeal to be assessed.

Disciplinary Framework and Procedures

- K.5 The Chair of the Disciplinary Appeals Committee will decide whether there are grounds for appeal, as defined above, normally within fifteen working days.
- K.6 If the Chair determines that there are not grounds for appeal he or she shall inform the Defendant in writing, and shall give reasons for the decision.
- K.7 If the Chair determines that there are grounds for appeal he or she shall inform the Defendant and the Complainant in writing, and a panel of the Disciplinary Committee will be convened to consider the appeal.
- K.8 Whenever possible an appeal will be heard within 30 working days of the decision that there are grounds for appeal.
- K.9 The Disciplinary Appeals Committee will conduct an appeal through a hearing, as described in Section J.
- K.10 The committee may reach one of the following conclusions:
- that the conclusions of the Disciplinary Committee be quashed and the allegation be dismissed; the committee may, at its discretion, offer advice or guidance to one or both parties;
 - that the conclusions of the Disciplinary Committee be confirmed, but that the penalty or penalties imposed be amended, in such manner as the committee shall determine;
 - that the conclusions of the Disciplinary Committee and the penalty or penalties imposed be confirmed.
- K.11 The Defendant will be informed in writing of the decision of the committee within ten working days.
- K.12 The committee may, at its discretion, inform the Complainant of its decision, subject to prior notification to the Defendant of its intention to do so and the offer of the opportunity to submit comments on the decision and the wording of the notification. The committee shall take due note of any comment submitted by the Defendant, in any report on its findings that it makes to the Complainant.
- K.13 Subject to the normal remedies available under civil law, the decision of the Appeals Committee is final.
