Re: Membership of the NRPSI Review Sub-Committee

I write to inform you that Dr Zuzana Windle has resigned from the NRPSI Review Sub-Committee as of 28th March 2010.

At the Sub-Committee meeting held on 29th March 2010, it was agreed unanimously to invite the next highest polling candidate after Dr Windle in the election for NRPSI Sub-Committee members to replace Dr Windle. This is Mrs Helga Bateman.

Mrs Bateman has been approached and has agreed to take up the vacant place on the Sub-Committee.

We look forward to working with her and to benefiting from her contribution.

Brooke Townsley
Chair
