

WRITTEN ASSESSMENT CRITERIA

ASSESSMENT CRITERIA FOR WRITTEN TRANSLATION (Statement in English [Bi] & Technical Translation [Bii])

ACCURACY & APPROPRIATENESS OF THE TRANSLATED TEXT:

- Candidates should provide a complete and accurate translation of the source text without omissions, additions or distortions. This means that for the Translation of the Statement the Other Language version taken down in the Oral Assessment must be complete in order for you to provide an acceptable translation into English.
- They should demonstrate good use of grammatical/syntactical constructions, style and register and good spelling, punctuation and accentuation.
- Candidates should display good use of vocabulary and knowledge of specialist terminology.

ORGANISATION OF TEXT:

- Candidates should aim to provide a text which reads like an authentic piece of writing in the target language.
- Candidates should convey the original message with good coherence and display good sentence structure and linkages.

EFFECTIVENESS OF COMMUNICATION:

- Candidates should provide a well presented text suitable for the intended purpose which conveys the meaning fully and accurately to the intended reader.
- Candidates should display good awareness of intercultural differences and be able to express these well.

SPECIAL NOTE: Illegibility and incoherence will be penalised.
